FRIENDS OF IHF

Make your experience heard widely…
join a community of people from all around the world

The Friends of IHF is a network of leaders in healthcare service provision who embrace IHF values and mission and are interested in promoting and supporting its activities.

By joining the Friends of IHF you will gain access to an exclusive international environment to share your unique experience with peers and learn from worldwide healthcare leaders’ good practices.

WHO CAN JOIN
The Friends of IHF is open to any individual engaged in the healthcare sector and committed to the IHF goals.

HOW IT WORKS
Friends of IHF can meet virtually on the IHF Exchange Platform. The IHF World Hospital Congress provides opportunities for face-to-face meetings.

OUR VALUES
A world of healthy communities served by well managed hospitals and health services.

YOUR OPINION MATTERS
Enjoy the exchanges with an international community of peers and broaden you networking experience.

HOW TO SUBSCRIBE
To enjoy Friends of IHF privileges, register into the IHF Website and select Friends of IHF under IHF Activities.

Get involved...Have your say!

Make the most of your subscription benefits

- Be a Champion of IHF
  At national and international level you can advocate for the IHF. In direct and regular contact with the Secretariat, you have access to accurate, objective and timely information.

- Networking opportunities
  Interact directly with the community of Friends online, take advantage of IHF meetings and events to exchange with worldwide peers.

- Get involved in our activities
  Be involved as expert in specific projects and activities. Suggest to IHF potential areas of work that can be developed at national level.

- Access the IHF Exchange Platform
  Meet your peers virtually in the unique IHF online platform and get access to the IHF publications.

Join us for the annual IHF World Hospital Congress

- Attend at discounted rates IHF World Hospital Congress
- Attend the special side meeting organized for Friends of IHF
- Enjoy this unique networking opportunity
