Of Cheetahs and Antiloops

(Hospital) Leadership in Crisis

The crisis starts...

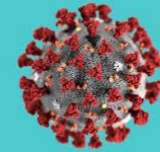

Our mindset at day 1 of the crisis...

we

...leadership task was to create a pride of cheetahs

we

Key crisis learnings for leading high performing teams

- Safety of Staff is paramount.
- Speed beats perfection.
- Leadership is of the essence.
- Be decisive, not divisive.
- Take care of your staff, then your staff takes care of the rest.
